Personal Year Check

Numerology dates and religious muhurat

This is a date-ranking report, not a city-specific puja or wedding muhurat. Confirm religious timing, venue and family arrangements separately. The score is a method score, not the probability of a successful marriage.

2026: Vijay Gupta is in Personal Year 3; Aarti Sharma is in Personal Year 7.

Favorable

Dates in a flagged year keep their date-level score but are reduced by a timing penalty; a manual review is advised before finalising a date in such a year.
